EDUCATIONAL BACKGROUND

Bachelor of Science in Information Technology 2025
Davao Oriental State University, Banaybanay Campus

LEADERSHIP AND ADMINISTRATION EXPERIENCE

PUBLIC RELATIONS OFFICER (PRO) / CREATIVES OFFICER

DAVAO ORIENTAL STATE UNIVERSITY (Banaybanay Campus)
From January 22, 2024 – May 09, 2025

- Managed the organization's social media platforms and digital communications.
- Created promotional graphics, posters, and multimedia content for events and campaigns.
- Planned and published engaging social media content to increase visibility and member engagement.
- Collaborated with the executive team to promote organizational activities and maintain consistent branding.

WORK EXPERIENCE

FULL-STACK DEVELOPER & UI/UX DESIGNER

Freelance / Independent
From July 2026 — Present

- Designed and developed end-to-end web applications, ensuring a seamless integration between front-end interfaces and scalable back-end databases.
- Created intuitive, user-centered wireframes and interactive prototypes with a strong focus on premium visual aesthetics.
- Implemented responsive design systems to guarantee visual and functional consistency across all mobile, tablet, and desktop viewports.

VIRTUAL ASSISTANT & LEAD GENERATION SPECIALIST

Freelance / Independent
From April 2026 — May 2026

- Conducted targeted B2B lead generation campaigns and market research to construct high-quality, verified prospect databases.
- Managed email outreach initiatives, qualified client leads, and optimized administrative task flows.

- Provided scheduling coordination and communications support to improve outreach efficiency.

ASSISTANT UI/UX DESIGNER

KamAI, BizCard, and Champion
From February 2025 — July 2025

- Designed high-fidelity web and mobile prototypes in Figma for diverse platforms including KamAI (healthcare EMR), Champion (referral app), and BizCard.
- Developed and maintained reusable UI component libraries to establish standard design systems and accelerate frontend implementation.
- Mapped interactive user flows and wireframes based on design specs and stakeholder feedback.

FREELANCE UI/UX DESIGNER

Independent / Freelance
From August 2024 — December 2024

- Designed responsive UI/UX mockups, wireframes, and prototypes in Figma tailored to custom client requirements.
- Developed structured user flows to outline clean, friction-free user journeys.
- Iterated quickly on client feedback to deliver modern and accessible UI assets.

SKILLS

- UI/UX Design (Figma, Wireframing, Prototyping, Design Systems)
- User Research, Information Architecture, and Usability Testing
- Responsive Web and Mobile Interface Design
- Graphic Design and Social Media Content Creation
- Strong Collaboration with Cross-functional Teams and Clients
- Problem-solving, Analytical Thinking, and Attention to Detail
- Proficient in Microsoft Office (Excel, Word, PowerPoint) and Google Workspace
- Excellent Communication, Time Management, and Project Organization
